

# ACCELERATOR conditioner

- Two adjustable steel rollers for aggressive crimping action
- Faster drying than with a conditioner or tedder
- Greater air-circulation through the swath
- **NEW** Grouper gives total inversion of the swath for complete drying

*The fast, cost-effective way to reduce drying time,  
improve quality and increase profitability*

**REDUCE  
DRYING TIME BY  
AS MUCH AS A  
DAY!**
